

Laws & Scoring

Laws & Scoring is a quick way into your scoring tools for one property. It does not hold settings itself; it points you to the screen that does.

“ ? Screenshot: the Laws & Scoring hub.

The shortcut

The screen offers a shortcut card. Select it to open the tool.

Card	Opens
Questionnaire Settings	Your scoring rules, pass scores, and questionnaire profiles for the property

To set your rules, open **Questionnaire Settings**. The full steps are in **Questionnaire & Scoring Settings**.
