

Overview

The Renter Portal is where you apply for a home and follow your application. It carries you from finding a place to getting a decision.

Who uses it

People applying for a home — applicants. You reach the portal after you start an application from a property listing.

What you can do

- **Find a home** — browse and apply. See [Marketplace](#).
- **Pre-qualify** — answer the property's questionnaire. See [The Questionnaire](#).
- **Apply and get screened** — send your application and pass a background check. See [Background Check](#).
- **Track everything** — follow your applications in one place. See [Renter Dashboard](#).
