

Payments

Payments is your record of everything you paid through LeaseOps, with a receipt for each one. Use it to check a charge or confirm a payment went through.

“ ? Screenshot: the Payments list.

Read your payments

Your payments sit in a table. Each row is one payment.

Column	Shows
Date	When you paid
Property	The home the payment relates to
Description	What the payment was for
Amount	How much you paid
Status	Whether the payment went through

To find one payment fast, type in the search box.

Open a receipt

Select a row to see its **Transaction Details**, including confirmation that the payment was successful.

Nothing here yet?

Before you pay anything, the screen reads **"No Transactions Found."** Your first payment is usually the [Background Check](#) fee.
