

Renter Dashboard

The Dashboard is your home base. It keeps every home you applied to in one place, so you can track your progress and pick up where you left off.

“ ? Screenshot: the Renter Dashboard.

See where you stand

Four cards give you the quick numbers.

Card	Tells you
Total Applications	How many applications you have in total
Applications in Process	How many are still moving forward
Pending Applications	How many are waiting on a decision
Questionnaires	How many pre-qualification questionnaires you submitted

Pick up where you left off

Two lists show your recent work:

- **Recent Applications** — your latest applications. Select **Resume** to finish one, or **View** to open it.
- **Recent Questionnaires** — your latest questionnaires. Select **Resume** or **Continue** to keep going.

Just getting started?

When you have nothing yet, the Dashboard reads "**No applications found**" and "**No questionnaires found.**" Select **Browse Marketplace** to find a home and begin. See [Marketplace](#).
